Introduction to 2020 CIFTIS

- CIFTIS is divided into two parts: the on-line digital platform and the off-line traditional trade in services exhibition area.
- Registration time for Exhibitors and Organizers of CIFTIS

on-line exhibition-July 15, 2020-August 25, 2020

off-line exhibition-June 16, 2020-August 15, 2020

- The official website of CIFTIS <https://en.ciftis.org/>
- Through on-line and off-line linkage, it provides enterprises with services such as intelligent recommendation, on-line negotiation, and live streaming of exhibits. This helps companies break through time, space and language restrictions, strengthen exhibition effects, and obtain more business opportunities.
- CIFTIS hotline: 010-58103199
- Main functions of on-line CIFTIS

The enterprises applying for exhibition shall submit information to the Sponsors of CIFTIS.

All Exhibitors shall participate with the **invitation code**, and the invitation code will be sent to the Exhibitors by Sponsors.

2. Log in to the official website of CIFTIS and submit the exhibition information.

- Log in to the official website of CIFTIS, submit the exhibition invitation code and related information for the exhibition.
- Create personnel information for the company and submit personnel badge application.

4. Become Exhibitors

- The status of the company's application, after approving by the Sponsors, will be updated to be "Approved", and then the company officially becomes an Exhibitor.
- The badges of the off-line Exhibitors, after processing, will be notified for acquisition.

1. Provide exhibition materials and obtain the invitation code from the Sponsors.

Enterprises need to file an application and submit relevant exhibition materials to the Sponsor of each sector.

After confirming the identity of the Exhibitor, the Sponsors will issue an invitation code, and the company will register for the exhibition based on the invitation code.

3. The Sponsors approve the exhibition information.

The Sponsors will approve the exhibition information of the enterprises.

Overview of the on-line exhibition process

Before exhibition

During exhibition

After exhibition

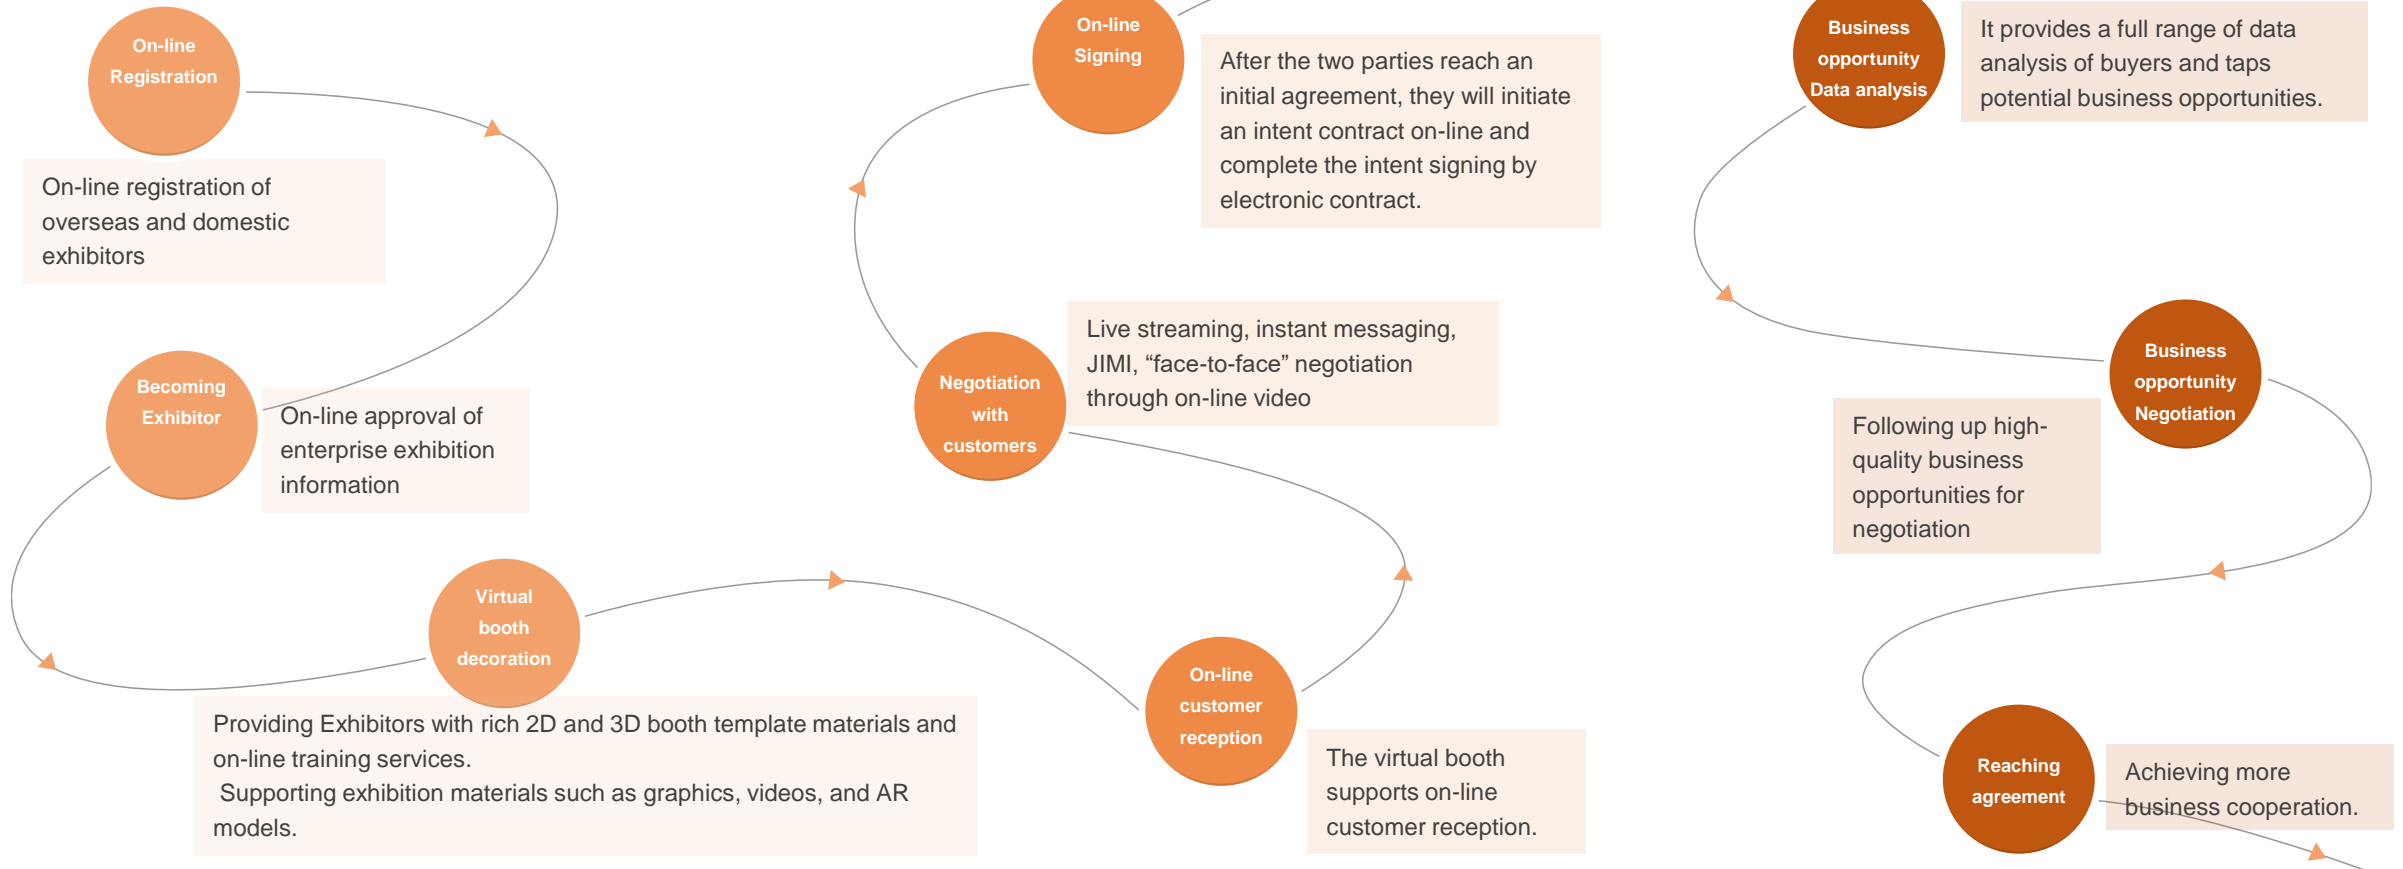

On-line Exhibitor certification & booth decoration
(Flexible, easy-to-use and powerful on-line virtual exhibition booth)

On-line negotiation with customers & electronic contract signing

Follow-up of quality business opportunities & more cooperation opportunities

(Virtual booth provides customers with multiple forms of interaction to promote intention signing)

(Buyer data analysis, clue finding, business opportunity negotiation and follow-up)

Log in to the official website of CIFTIS.

Enterprise information

* Enterprise Name:

* Enterprise nature: Enterprise Other organisations

* Commercial reg. No.:

* Industry:

* Enterprise registration:

* Type of Enterprise:

* Fortune Global 500 or not: yes no

* Fortune 500 companies:

URL:

Enterprise introduction: 0/1000

Click “Submit”, and wait for the approval by the Organizing Committee.

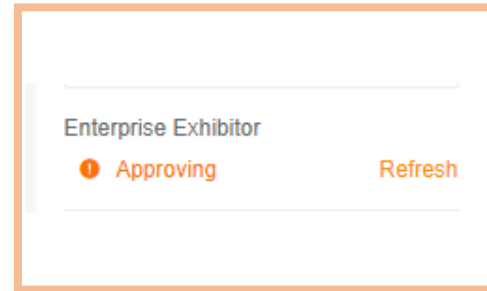

Submit exhibition information.

View approval status

After an enterprise applies for exhibition, it needs to be approved by the Organizing Committee. You can check the approval status in the enterprise card in the upper left corner of the Account Center page:

Under the status of "To be approved", the exhibition information can be updated.

Under the status of "Approving", the exhibition information cannot be edited.

Under the status of "Rejected", view the reasons for "Rejected". Edit the information and re-submit the application.

✔ Approved.
The final status of application approved for exhibition

Enterprise Exhibitor

In the process of "To be approved", enterprises applying for on-line and off-line exhibitions can enter the operation background and submit personnel badge applications.

 Enter Operation Platform

Submit the personnel information of the enterprise.

Step 1: Personnel registration

At the operation background, click the “Registration” menu .

- The administrator account is displayed by default. You can click “Edit” to complete the information of the administrator.
- Click “Create User” to create other personnel account under the company.

Submit the personnel information of the enterprise.

Fill in personnel information of the enterprise

- Username: Enterprise's personnel can log in to the official website, APP and operation background of CIFTIS with the "enterprise id" + "username".
- Password: The system automatically generates an **8-digit** password, which can be modified. You can also create a user first, and then click "Reset the password" later – when you reset the password, the system will send the new password to the sub-user via SMS.
- Display name: The real name of the enterprise's personnel will not be visible to other companies. You can maintain names such as "Manager Wang" for external display.

* Username:
4-20 characters, with lowercases, numbers, mid-line "-" and underline "_" only

* Password: 
Password shall be of 8-20 digits in length and contain both letters and numbers

Display name:
Display name can be retrieved. Default as the user name if not filled in.

Submit the personnel information of the enterprise.

- Nationality: Please select the nationality of the company personnel.
- Name: Fill in the real name of the user; for users with a nationality of “Overseas”, the name must be filled in **English**.
- Gender: Select user’s gender.
- Certificate Type: Please fill in the badge number of the enterprise personnel. Domestic personnel fill in the ID number, Hong Kong, Macao and Taiwan personnel fill in the Hong Kong, Macao and Taiwan (Home-Visiting Certificate, MTP) document number, and overseas personnel fill in the passport number.
- Birthday: Please fill in the date of birth of the personnel.
- Cellphone number: It is required for domestic personnel. At least one for cellphone and email address is required for overseas and Hong Kong, Macao and Taiwan personnel.

The screenshot shows a web form for submitting personnel information. The form is enclosed in a rounded orange border. It contains the following fields:

- * Nationality:** Two dropdown menus. The first is set to "Domestic" and the second is set to "China".
- * Name:** Two input fields. The first is labeled "Surname" and the second is labeled "Name".
- * Gender:** Two radio buttons labeled "Male" and "Female".
- * Certificate Type:** A dropdown menu set to "ID Card".
- * Certificate No.:** A text input field.
- * Birthday:** A date picker with the text "Select date".
- * Cellphone:** An input field with a dropdown menu set to "+86".
- Email:** A text input field.

Submit the personnel information of the enterprise.

- User duty: Please select the appropriate duty for the personnel.
 - Business Representative : A person who can conduct online business negotiations (by text and video) with signing intention on behalf of the enterprise
 - Consultant Service Representative (CSR): A person who can conduct online business negotiations (by text only) on behalf of the enterprise.
 - Other Personnel: Persons who have no right to negotiate on behalf of the enterprise.
- Title: Senior leader, Middle-level leader and General worker.
- Certificate Photo: If you need to create a badge, please follow the instructions on the page to provide a clear photo.

The screenshot shows a web form for submitting personnel information. It includes three main fields: 'User duty' with a dropdown menu showing 'Other Personnel - Persons who have no right to negotiate', 'Title' with a dropdown menu showing 'Select title', and 'Certificate Photo' with a dashed box containing a plus sign. Below the photo field is a detailed instruction: 'Please upload the ID photo of JPG format in vertical version, which is 600 (W) x 800 (H) pixel, 50-500kb size, white background without border, more than 50% of the head area is required, facial features can be clearly identified, and no spots, ink defects.' At the bottom are two buttons: 'Create' (orange) and 'Cancel' (white).

Click “**Create**” for the personnel account creation.

Submit application for exhibition certification of personnel of the enterprise.

Step 2: Submit the certification application.

Return to the list of enterprise personnel, check the personnel who need to be certified, and click the “Badge creation in batches” button [or click “Apply for badge creation in batches” for the designated personnel].

Note: All kinds of off-line activities must be attended with a badge. Those who have not applied for badge cannot participate in off-line exhibitions, conferences or activities.

- Exhibition Guide
- **Cloud Booth User Guide**
- Cloud Conference Reservation Guide
- Cloud Negotiation User Guide

Registration Time of Cloud Booth

The cloud booth is the **free service** provided by CIFTIS Digital Platform to the exhibitors of the **on-line exhibition**. In principle, there's no deadline for registering for the on-line exhibition and setting up the cloud booth, but exhibitors **participating in the off-line exhibition** shall pay attention to the **deadline for registration**, which is temporarily specified as Aug. 15th.

Overview of Cloud Booth

- The cloud booth mainly serves exhibitors to set up on-line booths, maintain exhibit information, and comprehensively display the image and service capabilities of the enterprise;
- Platform users such as buyers and professional visitors can freely browse or search in multiple dimensions to view the booths and exhibits of the enterprises, and can negotiate and sign electronic contracts on-line during the process;
- The cloud booth will capture the on-line interactions and transaction records of both parties during the whole process, provide data analysis service for them, continuously track business opportunities, and provide data support for the managerial decisions of the enterprises.

Operation Process of the Cloud Booth

Using Specifications of Cloud Booth

In accordance with the relevant national laws and regulations, you also agree to strictly abide by the following obligations when using the cloud booth:

1. Fill in authentic and valid enterprise information;
2. The exhibits must be within the business scope of the enterprise and comply with the requirements and name specifications of national image regulations;
3. The content of the booth shall not violate national security, and pornographic, politics-related, violent and terrorist contents against Chinese laws and regulations are prohibited;
4. Do not use this website to engage in illegal and criminal activities such as money laundering, stealing business secrets, and stealing personal information;
5. Do not interfere with the normal operation of this website, or invade this website and the national computer information system;
6. Do not upload or publish any illegal, harassing, slanderous, abusive, intimidating, harmful, vulgar, and uncivilized information materials;
7. Do not abet others to engage in behaviors that are illegal or prohibited by this agreement or platform rules;
8. Do not use the account registered on this website for profit-making business activities;
9. Do not publish any content that violates the others' personal information, copyrights, trademarks and other intellectual property rights, or legal rights.

You shall be legally responsible for your contents and commodity information shown on-line. If you distribute and disseminate reactionary, pornographic or other information that violates national laws on this website,

The system records of this website may be used as evidence of your violation of the laws. See the *Specifications for Setting up the Cloud Booth and Uploading Exhibits* for uncovered matters.

Overview of Cloud Booth Activation

Exhibitors visit the “Exhibition hall” background, and click “Booth application”.

Step 1. Booth application

(1) Basic information of the booth

- Booth name, booth introduction: text information, with word limit; **Bilingual information would be suggested for better understanding to the buyers all over the world;**
- Booth logo/booth picture: picture-type information with picture size limit, “carousel pictures” at booth header with the suggested size of **895*285** pixels;
- Booth video: video-type information, with video size limit;
- Booth label: please add label information by yourself; you can add more distinctive labels so that the booth can be easily identified by search engines or matched by big data platforms, so as to bring you more business opportunities.

• **Note:** The red asterisked field is mandatory.

The screenshot shows the 'Operation Platform' interface for booth application. The left sidebar contains a menu with 'Booth Application' highlighted. The main content area is titled 'Basic Information of Booth' and includes the following fields:

- Booth Name:** CIFTIS / 服贸会 (Mandatory field, indicated by a red asterisk)
- *BoothLOGO:** A placeholder for the booth logo with a suggested size of 130*130 pixels.
- Official Website Link:** http://www.ciftis.org
- Booth Instruction:** CIFTIS (including the former Beijing Fair) has been successfully held for six sessions. 服贸会 (包括北京交安) 已成功举办六届. (Remaining: 392 Character)
- Main Business of Booth:** CIFTIS (including the former Beijing Fair) has been successfully held for six sessions. 服贸会 (包括北京交安) 已成功举办六届. (Remaining: 92 Character)
- Booth Picture:** A carousel of five images representing the booth.
- Booth Video:** A video upload area with a placeholder for an MP4 file and a '+ Up to 2' button.
- Booth Tag:** An 'Add a tag' button and two existing tags: '教育, 线上培训, 精华' and '线上教育'.

At the bottom of the form, there are two buttons: 'Submit for Approval' and 'Preview'.

Overview of Cloud Booth Activation

Step 1. Booth application

(2) Booth information

- Exhibition area: choose from the corresponding comprehensive exhibitions and eight special exhibitions; then the “ Industry labels” below will show specific sectors of corresponding exhibition areas for your option.
- off-line booth No.: If an enterprise has an off-line physical booth, it needs to fill in the booth No.; this information will be displayed on the home page of the booth, so that buyers can go to the physical booth to visit the exhibits.
- Industry label: click to select the industry label in the special area.

Overview of Cloud Booth Activation

Step 1. Booth application

(3) Contact Details

- It includes name of contact person, cellphone number, email, fax, region (choose the country, province/city/district where the enterprise is located), and postcode.
- The information will be displayed on the homepage of the booth so that the platform users can browse and contact the exhibitor. It is suggested that the contact information of full-time customer service staff be filled in.

The screenshot shows the 'Operation Platform' interface for booth application. The 'Contact Details' tab is selected, indicated by a red arrow. The form contains the following fields:

- *Contact: Input field with value 'chaoyouqian'
- *Telephone: Input field with value '18510960717'
- *Email: Input field with value '333333@qq.com'
- Fax: Empty input field
- *Region: Dropdown menu with 'Domestic Beijing' selected
- *Detailed Address: Input field with value '海淀区槐柏树街2号院'
- Postcode: Empty input field

At the bottom, there is a radio button selection for 'Is contact information shown or not' with 'Yes' selected. Below this are two buttons: 'Submit for Approval' and 'Preview'.

Overview of Cloud Booth Activation

Step 1. Booth application

(4) Customer service configuration

- It specifically refers to the configuration of JIMI (i.e. robot customer service), which is customized and is **not activated by default**.
- Activate the JIMI: exhibitors click the ***Exhibitor JIMI Activation and Using Guide*** (marked in the red box) to view the steps to activate the JIMI. After communicating with the JIMI team, they will obtain an JIMI URL, which is configured at the “JIMI URL”.
- After the configuration is completed, the “JIMI” button will appear on the home page of the booth and the details page of the exhibits. Buyers can click to consult the robot customer service, which can effectively alleviate the pressure of the exhibitor's manual customer service.

The screenshot shows the 'Operation Platform' interface for booth application. The left sidebar contains navigation options: Registration, Conferences, Exhibitions, Booth Application (selected), Booth Decoration, My Exhibits, My Orders, and Opportunities. The main content area is titled 'Booth Application' and has four tabs: Basic Information of Booth, Booth Information, Contact Details, and Customer Service Configuration (selected). Under the 'Customer Service Configuration' tab, there is a section 'Is JIMI enabled or not' with radio buttons for 'Enable' and 'Don't enable' (selected). Below this is a 'JIMI Link' text input field with a 'Remaining :200 Character' indicator. At the bottom, there is a 'JIMI Configuration Description' section with a link to 'Exhibitor JIMI Activation and Using Guide.pptx' highlighted in a red box. Two buttons, 'Submit for Approval' and 'Preview', are located at the bottom right.

Overview of Cloud Booth Activation

Step 2: Submit the booth for approval

- After filling in the above information, the exhibitor needs to click “Submit” for approval by the Sponsor/Organizer (approval principle: the inviter shall be the approver).
- The exhibitor can log in the enterprise account in real time to view the approval status of the booth.
- If approved, the booth can be displayed normally. If rejected, the exhibitor may revise the information according to the approval opinions and resubmit the application for approval.
- Please note that it is necessary to ensure that the information filled in is true and compliant. Subsequent modifications to the booth information must be resubmitted for approval. The booth in the approval status is not displayed externally.

The screenshot shows the 'Booth Application' page in the CIFTIS Operation Platform. The page is divided into a left sidebar with navigation options (Registration, Conferences, Exhibitions, Booth Application, Booth Decoration, My Exhibits, My Orders, Opportunities) and a main content area. The main content area has a header 'Booth Application' and a sub-header 'Basic Information of Booth'. Below this, there are four tabs: 'Booth Information', 'Contact Details', 'Customer Service Configuration', and 'To be Approved' (highlighted with a red border). The 'Booth Information' tab is active, showing a form with the following fields:

- *Exhibition Stand Name: EN test01
- *BoothLOGO: A placeholder image with a trash icon and a red 'X' indicating a missing or invalid logo.

At the bottom of the page, there is a note: 'File Format.png.jpg.jpeg.gif.bmp, Support size up to2.00M, A logo of 130*130 pixels with the white or transparent background is suggested'.

Cloud Booth Decoration Usage

The exhibitor goes to the “Booth management” background, and clicks “Booth decoration”.

The exhibitor browsing template list contains PC-side templates and APP-side templates

- Click “**Edit**” to adjust the banner color of this version.
- Click “**Preview**” to preview the selected template effect.
- Click “**Release**” and a confirmation pop-up box is displayed. After confirmation, this template will become the template in use.

Instructions on Exhibit Management of Cloud Booth

The exhibitor goes to the "Exhibition hall" background, and clicks "Add an exhibit" in the "Exhibits" menu, which has no quantity limit for the moment.

Instructions on Exhibit Management of Cloud Booth

Step 1: Add an exhibit

- Fill in the exhibit name, category, booth/exhibit code, place of origin, brand, market price, wholesale price, and introduction, with word limit;
- Booth exhibit code: the exhibitor can customize its own exhibit code or use the code automatically generated by the platform;
- Exhibit pictures: picture-type information, with picture size limit;
- Exhibit video: video-type information, with video size limit;
- Exhibit introduction: upload the exhibit introduction with the text editor (e.g. commodity details, instructions, and qualification certificates).
- **Note: The red asterisked field is mandatory.**

The screenshot shows the 'Add an exhibit' form in the CIFTIS Operation Platform. The form is titled 'Add an exhibit' and includes the following fields:

- *Exhibit No.:** 20200715183220ic5
- *Exhibit Name:** 100 characters at most
- Booth & Exhibit Code:** (empty)
- *Production place/service region:** Select
- *Brand:** 50 characters at most
- Market Price (RMB):** (empty)
- Wholesale Price (RMB):** (empty)
- *Exhibit Introduction:** Please enter contents..... Remaining: 500 Character
- *Exhibit Image:** Up to 5
- Exhibit Video:** Up to 1
- *Exhibit Introduction:** (Text editor with 0 characters entered, 1500 left)

At the bottom of the form, there are three buttons: 'Submit for Approval', 'Save', and 'Return'.

Instructions on Exhibit Management of Cloud Booth

Step 2: Submit for approval

- After filling in the exhibit information, the exhibitor needs to click "Submit" for approval by the Sponsor/Organizer (approval principle: the inviter shall be the approver).
- The exhibitor can view the approval status of the exhibits in real time.
- If approved, the exhibitor can stack the shelves with exhibits which can be displayed normally; if rejected, the exhibitor can modify the information and resubmit the application.

Instructions on Exhibit Management of Cloud Booth | Exhibit Presentation

After the exhibit being approved, click “Exhibit name”.

The screenshot displays the 'Baby First' exhibit page. The main content area includes a video player, a list of exhibit details (Price: ¥1000, Brand: beauty baby, Booth Code, Product/Service Area: Mainland Beijing, Purchase Quantity: 1), and two buttons: 'Add the exhibit to' and 'Submit a Intention'. The right sidebar contains an 'Exhibition Stand' section with 'Booth name: EN test01' and 'Region: Mainland Beijing', and a 'Similar' section. A red arrow points to the 'Enter' button in the 'Exhibition Stand' section, with the text 'Click to view booth presentation mode'. Another red arrow points to the 'Add the exhibit to' button, with the text 'After the buyer clicks it, the exhibitor can view the buyer information in “Opportunities”'. A third red arrow points to the 'Submit a Intention' button, with the text 'After the buyer clicks it, the exhibitor can view the information of intents in “Orders”'.

Click to view booth presentation mode

After the buyer clicks it, the exhibitor can view the buyer information in “Opportunities”.

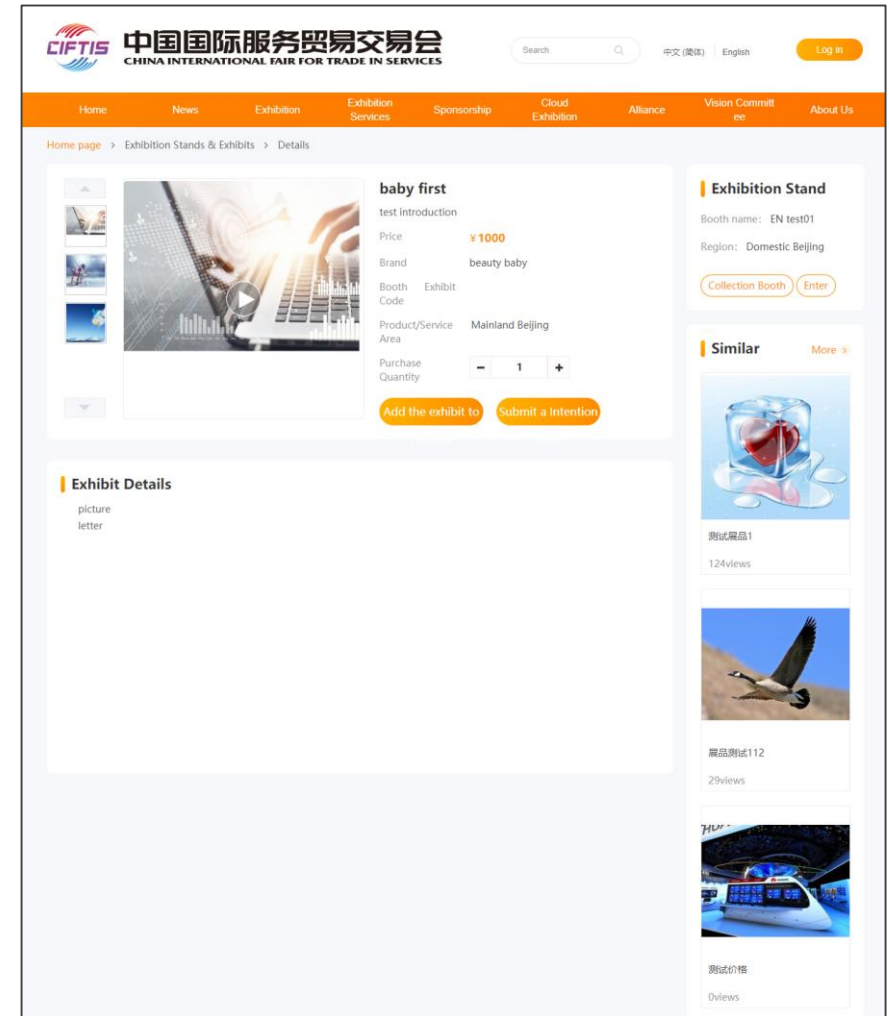

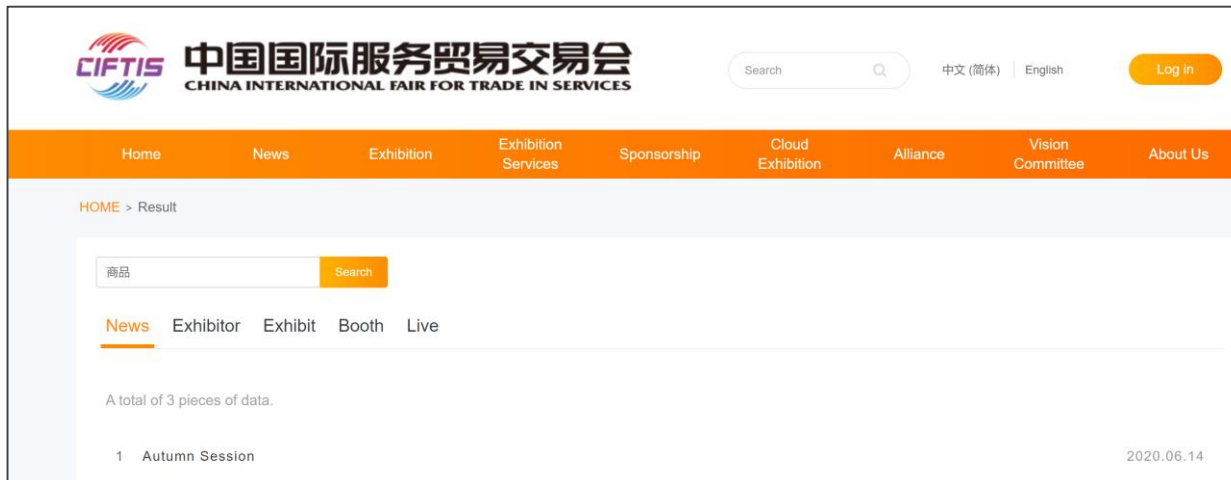

After the buyer clicks it, the exhibitor can view the information of intents in “Orders”

Instructions on Exhibit Management of Cloud Booth | Booth Presentation Channels

Booth Presentation Channels

- The operation platform of the exhibitor;
- The search bar at the top of the official website; the results of exhibits and booths will be shown upon fuzzy search;
- Popular booths in the “Cloud Exhibition Hall” page of CIFTIS Digital Platform (in the order of page views);
- Popular exhibits in the “Cloud Exhibition Hall” page of CIFTIS Digital Platform (in the order of page views or favorites).

Instructions on Order Management of Cloud Booth

After a platform user browses the exhibition hall and submits an intent to order a certain exhibit, the exhibitor who publishes the exhibit goes to the "Exhibition hall" background and clicks "Orders".

Step 1. Check the order list, the order status is "To be processed", then click to process the order.

The screenshot displays the 'List of Orders' interface. The top navigation bar shows the user is logged in as 'cp_test_18_name' with the role of 'Exhibitor' and an 'Approved' status. The left sidebar contains navigation options: Registration, Conferences, Exhibitions, Booth Application, Booth Decoration, My Exhibits, My Orders (highlighted), and Opportunities.

The main content area features a search filter with fields for 'Order Number', 'Name of Procurer', and 'Order Time' (with 'Start Time' and 'End Date' sub-fields). A 'Search' button and a 'Reset' button are present, along with a 'Create a list of intents' button.

Exhibit No.	Exhibit Information	Unit Price	Quantity	Name of Procurer	Procurement Budget	Confirm the amount	Order Status	Operate
Order Number: 202007101000112 Order Creation Time: 2020-07-10 15:17:44 Exhibit release shop: EN test01								
202007101428182j1	 baby first	¥1000.00	3	深圳同徽网络信息有限公司	¥2800.00	¥0.00	To be processed	Processing Orders Details
Order Number: 202007101000110 Order Creation Time: 2020-07-10 14:37:06 Exhibit release shop: EN test01								
202007101428182j1	 baby first	¥1000.00	2	参会公司	¥1800.00	¥1800.00	Deal done	Details

After clicking it, the exhibitor will see the details of intents.

Instructions on Order Management of Cloud Booth

Step 2. The exhibitor processes the order, and fill in the confirmed amount and remarks.

Exhibit No.	Exhibit Name	Unit price of exhibit	Quantity of exhibit	Subtotal
202007101428182j1	baby first	<input type="text" value="1000.00"/>	<input type="text" value="3"/>	¥ 3000.00

- If you cannot accept the purchase budget of the buyer, you can directly click . After the second confirmation, return to the order list page, and the order status becomes "Closed".
- If you can accept the purchase budget of the buyer, you can click after filling in the amount, then the order status will change to "Deal Done".
- If the buyer needs to confirm the amount again, you need to click after filling in the amount, and the order status will change to "Processing".

Instructions on Order Management of Cloud Booth

Step 3. The exhibitor view the order details.

The order details include information as follows:

- Order status and time line
- Buyer information
- Exhibitor information
- Exhibit information
- Operation log: able to record the operations of the registered personnel of the exhibitor on the order

The screenshot displays the 'Order Details' page in the CIFTIS Operation Platform. The page is divided into several sections:

- Order Details:** Shows the order number (202007101000170) as 'Deal done'. A progress timeline includes 'Submit Order' (2020-07-10 14:37:06) and 'Completed' (2020-07-10 14:39:00).
- Purchaser information:** Lists details for the procurer, including user name (admin), company name (展会公司), contact name (尹芳), telephone (18063090717), email (623415949@qq.com), region (Domestic/laoning), and detailed address (wqeweqeww). It also shows a procurement budget of ¥1800.00.
- Exhibitor Profile:** Lists details for the exhibitor, including stand name (EN test01), company name (cp_test_18_name), contact name (Tom), telephone (010987654), email (12345678@qq.com), region (Domestic/Beijing), and detailed address (meeting center). It also shows a confirmed amount of ¥1800.00.
- 展品信息 (Exhibit Information):** A table listing exhibit details:

Exhibit No.	Exhibit Information	Unit Price	Quantity	Subtotal of Amount
2020071014281821	 baby first	¥1000.00	x2	¥2000.00
- Operation Logs:** A section for recording operations, currently empty.
- Return:** A button at the bottom right of the page.

Instructions on Business Opportunity Management of Cloud Booth

The exhibitor goes to the "Booth management" background, and clicks "Opportunities".

The exhibitor views the information of buyers who **favorite the booth**.

- If a buyer clicks "Favorite booth" or "Favorite exhibit" while browsing the booth or exhibits, the buyer's information will be displayed in this list.
- The buyer's browsing times, browsing duration and contact information will also be displayed synchronously, so that the exhibitor can understand the buyer's interest and follow up the subsequent business opportunities.

Ordinary users

Watch live streaming

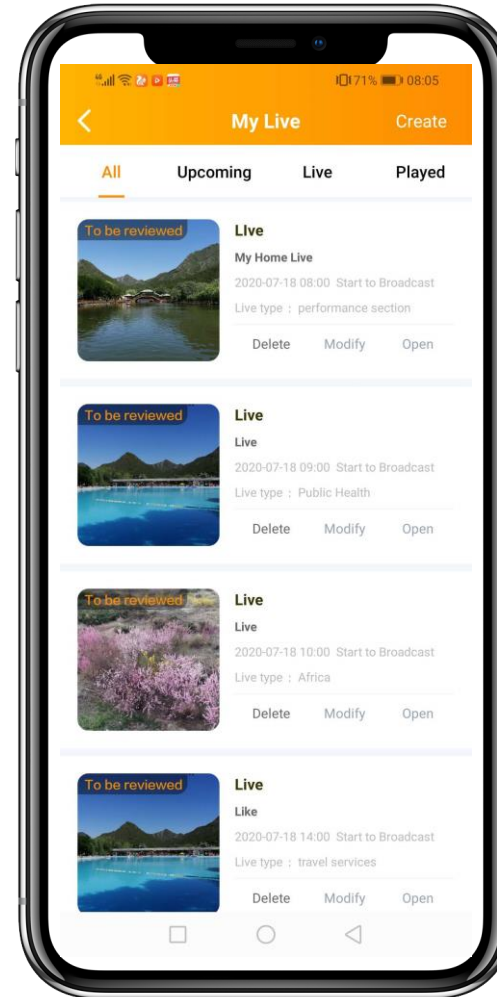

Exhibitors – How to Create a Live Streaming?

- After setting up the store, the exhibitor can carry out marketing and promotion through live streaming;
- The exhibitor can log in to CIFTIS APP;
- Open the “My” page;
- Click “My Live Streaming” to enter the list page, and the live streaming created by the exhibitors can be classified according to the status, including All, To be live streaming, In live streaming, and After live streaming;
- Click “New” in the upper right corner to enter the new live streaming page, upload the cover and fill in the relevant information to complete the creation of the exhibitor live streaming;
- The live streaming needs to be created 24 hours in advance and submitted to the Sponsor for approval.

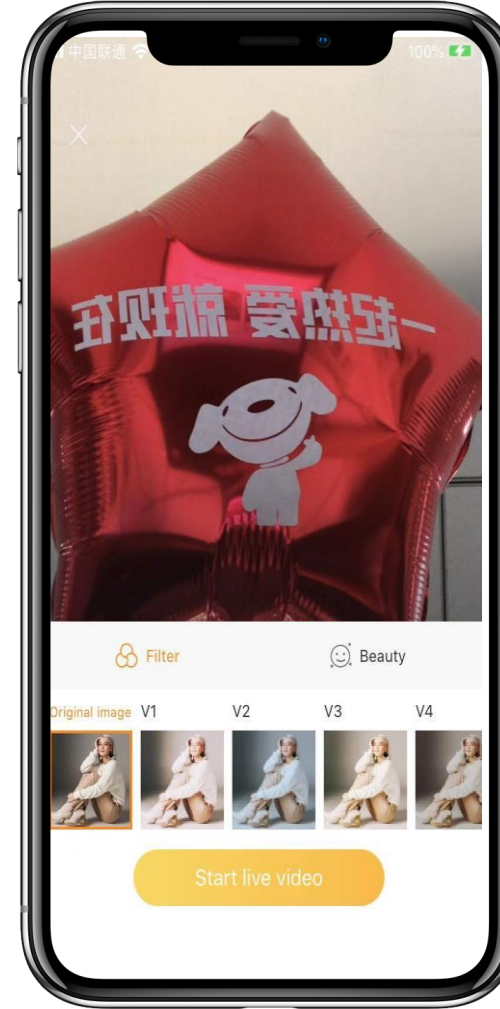

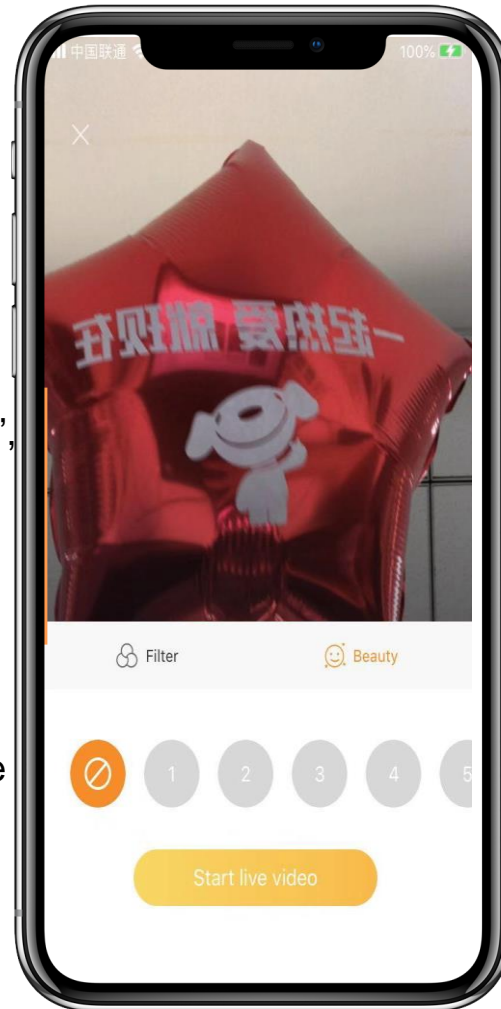

Exhibitors – How to Start a Live Streaming?

- The approved live streaming may be started 5 minutes ahead of time. Click “Start Live Streaming” to enter the live streaming page;
- Makeup mode, filters, and switch between front and rear cameras are available.

Exhibitors – How to Carry out a Live Streaming?

- The makeup mode, i.e. whitening, buffing, etc., can be disabled or set at 5 levels; the higher the level, the more obvious the effect, which can be set as needed;
- The filters include the styles of “Fresh”, “Beautiful”, “Sweet”, “Retro”, and “Blues”, which can be set as needed;
- After setting the makeup mode and filter, click “Start Live Streaming” below to start the live streaming; the live page will show the real-time number of on-line users, likes, and user comments.

Watch Live Streaming

- Open the CIFTIS official website or download CIFTIS APP, and enter the streaming list from the exhibitor live streaming entry;
- The list page functions are as follows:
 - Search: search by streaming name is available;
 - Categories: a total of 12 categories, including the results area, public health, country/province/city area, and service trade; thematic level-2 classification: cultural services, financial services, winter sports, tourism services, educational services, sports services, service robots, and 5G communication services;
 - Support screening based on live streaming date;
 - The live streaming list page displays the poster, title, and status of the streaming;
 - The live streaming status includes three states: Preview, live streaming, and playback.

Watch Live Streaming

- Click the desired live streaming on the list page to enter the live streaming details page;
- The functions of the live streaming details page are as follows:
 - live streaming title, number of viewers, live streaming room ID, number of likes, comment content display;
 - Enterprise users (exhibitors and merchants) can initiate negotiations.

Overview of Cloud Conference Platform

- The cloud conference platform is a free on-line service platform built by CIFTIS for relevant entities that have the need to hold a conference.
- The cloud conference platform can support simultaneous use of 500 cloud conference rooms on a daily basis. Each cloud conference room can accommodate up to 100 people at the same time.
- Deadline for cloud conference platform reservation: July 17, 2020 to August 15, 2020

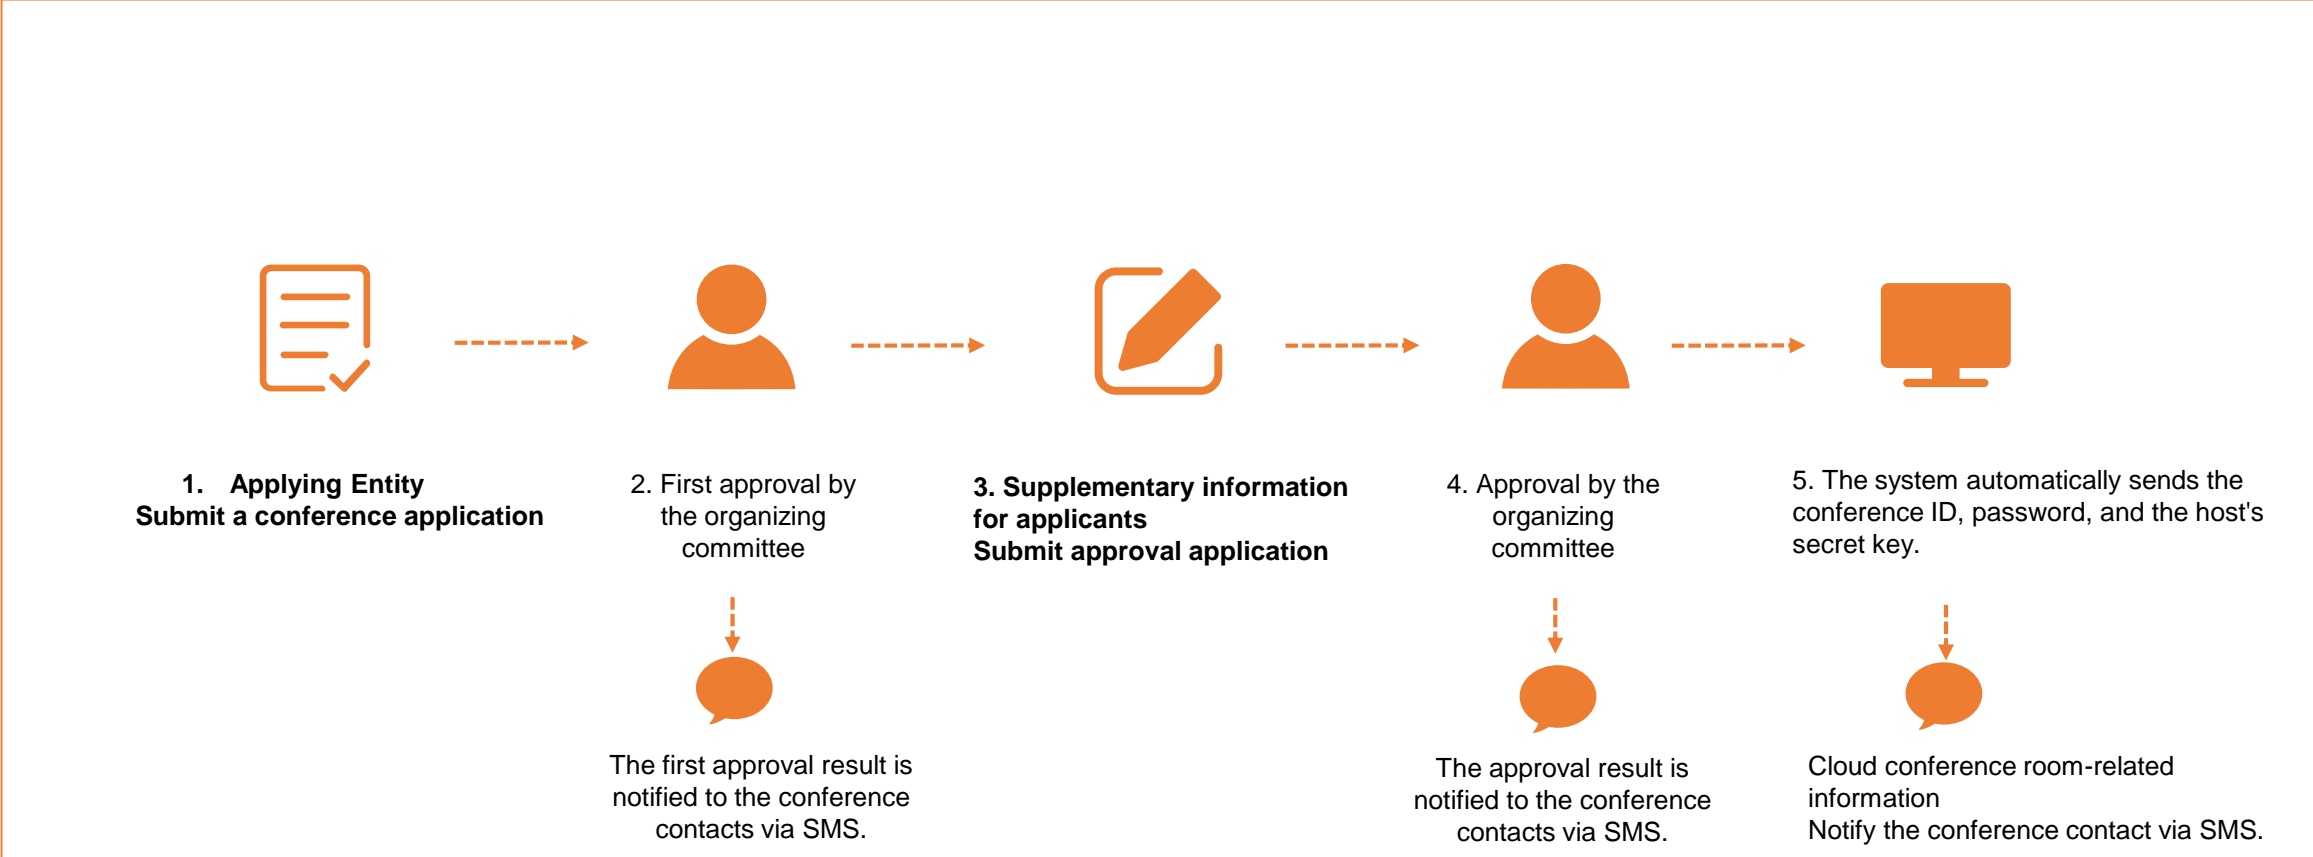

Target Users of Cloud Conference Platform

Organizers/Sponsors, provincial, municipal and national Delegations, Exhibitors, and Visitors that have been approved for sign-up can apply for cloud conference reservation.

Cloud Conference Reservation Instructions

Overall flow chart

Reservation Platform Entry

Log in to the official website of CIFTIS <https://www.ciftis.org>, and click [Operation Platform].

The screenshot shows the CIFTIS website homepage. At the top left is the CIFTIS logo and the text '中国国际服务贸易交易会 CHINA INTERNATIONAL FAIR FOR TRADE IN SERVICES'. To the right is a search bar and language options for '中文 (简体)' and 'English'. A user profile dropdown menu is open, showing 'sunshine1' and options for 'Account Center', 'Operation Platform' (highlighted with a red border), and 'Log Out'. Below the navigation bar is a large banner image of a modern building with the slogan '全球服务 互惠共享' and 'GLOBAL SERVICES SHARED PROSPERITY'. The navigation bar includes links for Home, News, Exhibition, Exhibition Services, Sponsorship, Cloud Exhibition, Alliance, Vision Committee, and Operation Platform.

Reservation Platform entry

Click **[Operating Platform]**, then the **[Conference]** menu is displayed.

Then click **[Apply]** to fill in the conference information.

The screenshot displays the CIFTIS Operation Platform interface. The top navigation bar includes the CIFTIS logo, the text "Operation Platform", a user profile icon with the name "sunshine1", and a "Logout" button. A left sidebar menu contains the following items: "Undertaker", "Conferences", "Application" (with a sub-menu "Apply" highlighted in a red box), "My Conferences", "Exhibitions", and "Project System".

The main content area is titled "Welcome to the CIFTIS Operation Platform" and is divided into two sections:

- Registration guide:** A flowchart with six steps: 1. Register an account, 2. Corporate information, 3. Registrant, 4. Certificate application, 4. Participate online, and 6. Get certificate and Participate offline. A "Review" step is also indicated.
- Exhibition hall guide:** A flowchart with three main steps: 1. Apply to open a new exhibition booth (with sub-instructions: "Fill out the information of the booth, upload pictures and videos. Submit and wait to be reviewed"), 2. Choose the booth model (with sub-instructions: "The sponsor will review the booth application" and "The system will provide multiple templates of booth's front page. You can preview and select one of them"), and 3. Update information of exhibition (with sub-instructions: "Add exhibits and fill out basic information, and upload pictures and videos. Submit and wait to be reviewed" and "The sponsor will review the exhibition application").

Project Release

Release a Project (WEB)

Step 3: Fill in the corresponding content according to the prompts

The asterisked project name, project content, exhibition area, industry classification and other basic information are mandatory.

The screenshot shows the 'New Project' form on the CIFTIS website. The form is titled 'New Project' and has a 'Return' button in the top right corner. The form contains several sections:

- Project name:** A text input field with an asterisk indicating it is mandatory.
- Main Products or Services:** A text input field with an asterisk indicating it is mandatory.
- Project Brief:** A large text area with an asterisk indicating it is mandatory. A character count '0/300' is visible at the bottom right of the area.
- Project Images:** A section with a plus sign icon and a note: 'Formats Supported : jpg, bmp, png, A single picture cannot exceed 5MB, Recommended Dimension 420*420'.
- Transaction Demand:** A section with four radio button options: 'Service Rendered', 'Procurement Service', 'Project Investment', and 'Project Financing', plus an 'Others' checkbox.
- Transaction Amount (¥):** A text input field.
- Supply/Demand Project Details:** A large text area with an asterisk indicating it is mandatory.

Step 1: **Registered enterprises** log in to the official website of CIFTIS, and click [Account Center] to access to the page

Project Release | View Project Status (WEB)

Step 2: Click [Project management] under [Account Center]

The screenshot displays the 'Organizer' interface. On the left, there is a sidebar with a 'Management Entry' section containing 'Sub-user Management' and 'Project Management' (highlighted with a red box). The main content area shows 'Enterprise information' with the following details:

- Enterprise Name: <https://uc.ciftis.org/account/web/company/company-info>
- English name of enterprise: [Edit](#)
- Industry: Others - --
- Enterprise introduction: <https://uc.ciftis.org/account/web/company/company-infohttps://uc.ciftis.org/account/web/company/company-infohttps://uc.ciftis.org/account/web/company/company-info> [Edit](#)
- Brief introduction to the company in English: [Edit](#)

The approval results by the Organizing Committee will be sent to the contact via an **SMS**. For different approval results, the handling procedures will be as follows:

- ① For projects **approved** by the Organizing Committee, the project publisher can manually load or unload the project.
- ② For projects **rejected** by the Organizing Committee, the user may modify the project information and resubmit for **approval**.
- ③ The Organizing Committee may force to remove or recommend a shelved project.

Step 3: Click [My Application] to view the status of a submitted project.

The screenshot shows the CIFTIS website interface. At the top, there is a navigation bar with the CIFTIS logo and the text '中国国际服务贸易交易会 CHINA INTERNATIONAL FAIR FOR TRADE IN SERVICES'. To the right of the logo is a search bar and language options for '中文 (简体)' and 'English'. Below the navigation bar is a secondary menu with links: Home, News, Exhibition, Exhibition Services, Sponsorship, Cloud Exhibition, Alliance, Vision Committee, and About Us. On the left side, there is a vertical menu with links: My Project, My Application (highlighted with a red box), My Addition, and My Favorite. The main content area displays a table with the following columns: Project name, Date Created, Approval Status, and Operation. The table contains three rows of data, with the first row having 'Approving Project' and 'View' (both highlighted with red boxes) in the respective columns.

Project name	Date Created	Approval Status	Operation
Demo Project	2020-07-06	Approving Project	View
Demo Project	2020-07-06	Not Approving Project	View edit
Demo Project	2020-07-06	Auditing Project	View

Step 4: The user may shelf an approved project or remove it from the shelf.

Step 2: After choosing its industry classification, the enterprise shall choose the labels of interest regarding the industry fields of interest, so as to obtain the recommendation on targeted business opportunities. Recommend quality exhibitor and booth supported by AI algorithm model

Enterprise sign up

The form is titled "Enterprise sign up" and features a progress bar at the top with three steps: 1. Account information (checked), 2. Enterprise information (current step), and 3. Sign up successful. A warning message states: "Please set an enterprise id. When the users sign in, they need to enter it!". The form fields include: "Enterprise id" (text input), "Enterprise Name" (text input), "Enterprise registration" (checkboxes for Tourism Services, Finance Services, Winter Sports, Service Robot), "Industry" (checkboxes for Cultural & Creative Services, Digital Culture, Performance Design, Ancient Culture, Cultural Integration), and "Industry fields of interest" (checkboxes for Traditional Culture, Clothing and Accessories, Special Food & Beverages, Intangible Heritages, Crafting). A "Submit" button is at the bottom. A red box highlights the "Industry fields of interest" section, with labels "Level 2 label" and "Level 3 label" pointing to the "Traditional Culture" and "Clothing and Accessories" options respectively. An arrow points from the text "Click to choose the labels of interest" to the "Industry fields of interest" section.

Click to choose the labels of interest
